HP Surestore Network Attached Storage (NAS) solutions offer customers a number of unique benefits. NAS makes file storage available directly to existing LANs, independent of other application servers, allowing fast and easy access to shared file data by both clients and application servers across multiple operating systems. The HP StorageWorks NAS 1000s delivers quick and simple, entry-level, just-in-time NAS storage plus remote manageability for workgroups, small businesses, and remote locations. Easy to install and manage, it's an affordable alternative to tape backup.
